

Agroecology Dialogue 3: **AGROECOLOGY AS A RESPONSE TO AGRI-INPUT SCARCITY**

Agenda

Time (CET)

8:30 – 9:00	Registration for physical participants, Palais des Nations, Genève
9:00 - 9:10	Welcome and introduction to the dialogue, <i>Carmenza Robledo, Moderator</i>
9:10 - 9:20	Opening remarks, <i>Dr. Jingyuan Xia, Director of Plant Production and Protection Division, FAO</i>
9:20 - 9:45	Keynote speech, <i>Dr. Tim Benton, Director Research Director, Chatham House</i> Will events in 2022 help or hinder agroecology?
9:45 - 9:55	Q&A, <i>Carmenza Robledo, Moderator</i>
9:55 - 10:10	Coffee break / Film screening
10:10 - 10:40	Insights from 2 case studies and inputs for discussion: <ul style="list-style-type: none"> • Long-term data on Farming Systems Comparison in the Tropics, <i>Dr. Noah Adamtey, Senior Scientist FiBL</i> • Agroextractivism in lowland Bolivia, patriarchy and alienation in monoculture expansion zones and challenges of indigenous peoples towards agroecological transformative responses. <i>Aymara Llanque Zonta, Leuphana University, Germany</i>
10:40 – 10:50	Q&A, <i>Carmenza Robledo, Moderator</i>
10:50 – 10:55	Introduction to group discussions, <i>Carmenza Robledo, Moderator</i>
10:55 - 12:00	Group discussion sessions: Input scarcity and Agroecology <ul style="list-style-type: none"> • Discussion group 1: Impact of the current input crisis on the food systems and agroecology • Discussion group 2: Current agri-input related policies that hinder agroecological solutions • Discussion group 3: The supply crisis and the agroecology comparative advantage <p style="padding-left: 20px;">Wrap-up of group discussion, <i>Carmenza Robledo, Moderator</i></p>
12:00 - 13:30	Lunch break

13:30 - 14:00 Insights from 2 case studies and inputs for discussion:

- National response to the crisis in Ethiopia, *Abaya Alemu, Plant Health and Product Quality Control Directorate, Ministry of Agriculture, Ethiopia*
- Understanding the impacts of policy options: example from Bhutan to reach national organic targets, *Dr. Steven Arquitt, Senior Analyst Millenium Institute*

14:00 – 14:10 Q&A, *Carmenza Robledo, Moderator*

14:10 – 14:15 Introduction to group discussions, *Carmenza Robledo, Moderator*

14:15 - 15:15 **Group discussion sessions: Agroecology and response to agri-input scarcity**

- Discussion group 4: Efficient use of fertilizers
- Discussion group 5: Enabling conditions towards reduced input dependency and for an agroecological transformation
- Discussion group 6: Enabling conditions towards an equal and just agroecological transition

Wrap-up of group discussions, *Carmenza Robledo, Moderator*

15:15 - 15:30 **Coffee break / Film Screening**

15:30 - 16:45 Marketplace, *Carmenza Robledo, Moderator*

Main trends and summary, *Dr. Frank Eyhorn, CEO Biovision*

16:45 - 16:50 Wrap-up, *Dominique Burgeon, Director FAO in Geneva*

16:50 - 17:00 Closing remarks, *Dr. Emile Frison, Interim Coordinator, Agroecology Coalition*
